To

The Secretary to the Government of H H
the Maharajah of Mysore, Gen & Rev
Deptt Bangalore

Sir,

In a few days I intend laying my Dissertation which I have got ready before the Faculty. If the Faculty accepts the same, then I will have to take my Examination But before presenting the Dissertation & before one is admitted to the Examination, one has got to pay the University Marks 300/- after I pass the Examination I will have to get my Dissertation printed & present the University with 300 Copies of the same before I can get the Diploma This costs another 500 to 600/ Marks So the Examination would cost me between 800 - 1000 Marks As I have got figures & tables the printing costs will be about 600 marks As the Scholarship amount is barely enough for my monthly expenses here, I have not been able to save anything from the amount, I humbly request the Government to be kind enough to grant me £50, so as to enable me to make my examination I beg to enclose herein a letter from my Professor in support of my Statement

As I intend leaving Europe for India after my Examination is over I request the Government to instruct Messers Coutts & Co to pay me the passage money I have no idea how much this amounts to But as Thomas Cook and Sons are my booking Agents I would request the Government to be kind enough to instruct Messrs Coutts & Co to pay me what Thomas Cook & Sons would charge me

As I intend to visit some of the Experimental Stations in the South of Germany which I have not as yet visited & also some in Switzerland I humbly request the Government to instruct Messrs Coutts & Co to pay me the last instalment which falls due on the 1st of July 1912, on my application before that date This would enable me to cover the costs of the journey to those parts

As the matter is very urgent I humbly request the Government to grant me £50/- as early as possible

I beg to remain
Sir
Your most obedient Servant
B Venkata Rao
Assistant Chemist.
